

Hi All,

This is a reminder that our virtual discussion regarding startup concerns for our fabs in light COVID-19 will take place tomorrow from 1-3pm. Below is the agenda for the meeting. Thank you to all of those who volunteered to lead and contribute to the discussions. Each topic will be introduced very briefly, with the majority of the time reserved for open discussion. We have a lot of topics to discuss in 2hrs, so we will start promptly at 1pm. The Zoom link is <https://cmu.zoom.us/j/92827655237>. If you need to join by phone, the dial-in information can be found in the attached invitation.

1:00 – Short introduction

1:05 – Gowning and entry protocols (Matt Moneck – Carnegie Mellon)

1:20 – Masks options for the cleanroom (Chad Eichfeld – PennState)

1:40 – Training and new user orientation (Iulian Codreanu – Delaware)

2:00 – Tool scheduling and social distancing for users (Ian Harvey – Princeton)

2:20 – New staff protocols amidst social distancing (James Vichiconti – Columbia)

2:40 – Consumables and supply chain concerns (Charlie Veith – Upenn)

3:00 – Closing statement

I look forward to seeing some new and familiar faces and to talking with everyone again.

Best Regards,

Matt
