What are OneNano Chapters?

OneNano chapters catalyze regional communities of nanoscale infrastructure professionals through regular, in-person engagement. Chapters foster strong professional networks grounded in community, equitability, impact, and transparency, ensuring value for organizations of all sizes while promoting open knowledge exchange within and beyond each region.

MidWest - Michigan

- Kurt Lesker
- Alternative resists
- Lab management
- TMAH & HF safety

SoCal - Santa Barbara

- Oxford
- Finance, sustainability, value
- Tool lifecycle
- Safety, contamination control
- Work force development
- Process standardization & documentation

Spring 2026 - Princeton

- Fabublox
- Deposition/Samco
- Onboarding – CoremarketPlace / NEMO
- TMAH working group
- Wet bench user compliance
- Equipment trading and donation

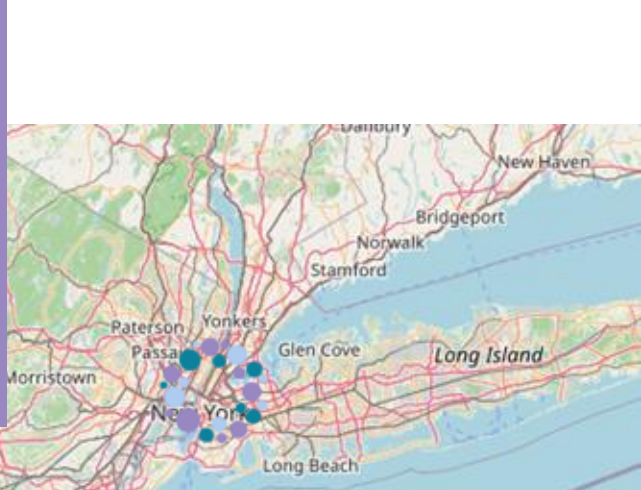

Fall 2025 - Penn

- 3D Litho/Heteromerge
- NEMO
- SDS / NEMO
- Real-time process charts / NEMO
- TMAH/HF

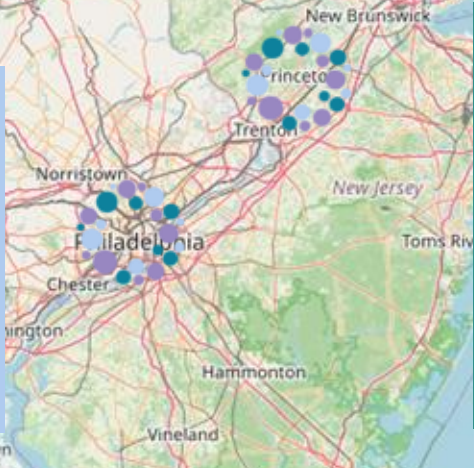

South-East - Florida

- Organizational strategies: people & careers
- Plasmatherm
- Safety, standards, stewardship
- AI panel
- Staff-Faculty-Student difficult conversations
- User training
- OMB CFR 200 challenges

Fall 2026 - Columbia

- NEMO
- Ebeam/STS-Elionix
- TMAH
- Lab building
- Start-up
- Quantum trends

What subjects do you want to hear about?

23 / 24 3

Most popular

professional development 3

Also prominent

aging clean lab 1 ai 1 ai in the facility 1
ai integration 1 chamber contamination 1
collaboration between fab 1 data and ai usage 1
difficult conversations 1 difficult talks 1
discussion on policies 1 document and knowledge ma 1
ethics and inventions 1 foosball 1
foosball break rooms 1 great vendors 1
infrastructure maintenanc 1 inheriting instruments 1
interns 1 managing users 1 problem vendors 1
quantum 1 quantum deposition 1
quantum ongoing research 1 recharge compliance 1
safety standardizing 1 staff exchange 1
staff exchanges 1 staff training 1 start-ups 1
training efficiency 1

What subjects do you want to talk about?

15 / 24 15

Most popular

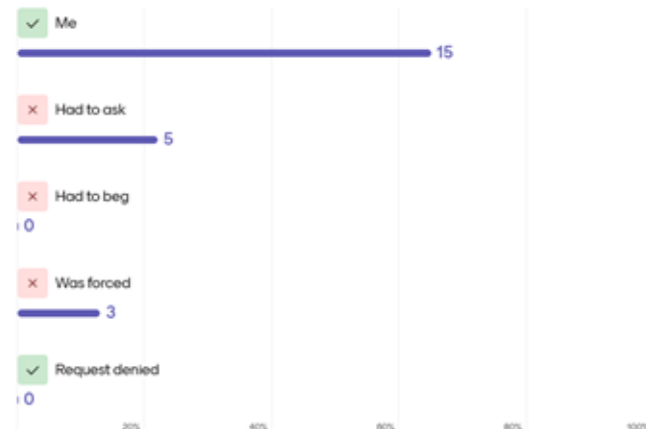

grants for repairing 2

Also prominent

2d material classificatio 1 about nothing 1
another panel so i can go 1 data and ai 1
difficult talks with user 1 etch spectroscopy set ups 1
how bad badger was 1 improving sops 1
infrastructure maintenanc 1 management difficulties 1
nemo 1 quantum packaging cooling 1
user education 1

Who decides if you can come to a OneNano meeting?

23 / 24

Why are you here?

23 / 24

- > 1 The talks
- > 2 The breaks with peers
- > 3 The group therapy
- > 4 The location
- > 5 The food

A decorative graphic on the left side of the image consisting of approximately 15 circles of various sizes. The circles are colored in three shades: teal, light blue, and purple. They are arranged in a loose, circular pattern, with some overlapping.

See you next time!
